Fiscal Impact/Change to Net County Cost

There is no Net County Cost associated with this Agreement. Sufficient appropriations were included in the Fiscal Year 2013-14 Budget Request and will be included in future budgets for the term of this Agreement.

Background

The County of El Dorado has an obligation to provide eligible County residents with access to designated mental health services, including twenty-four (24) hour residential treatment services in accordance with Welfare and Institutions Code Section 5600 et seq. and pursuant to applicable laws and agreements with the State of California. Willow Glen Care Center is a residential care facility licensed by the State of California that provides various levels of care ranging from adults with mental

health conditions who need assistance in developing skills to maintain placement in less restrictive levels of care, to mentally ill elderly adults who are unable to maintain traditional residential placement because of persistent behavioral problems. The County does not have residential treatment facilities and must contract for these services.

Reason for Recommendation

Approval of Agreement 418-S1311 will help ensure availability of residential treatment services on an “as requested” basis for adult clients of the County.

Action(s) to be taken following Board approval

1. Chair to sign two (2) original Agreements 418-S1311.
2. Board Clerk’s Office to return one (1) signed original Agreement to the Health and Human Services Agency (“HHSA”) at 3057 Briw Road, Contracts Unit.
3. HHSA to distribute documents as appropriate.
4. As applicable, the Purchasing Agent to execute further documents relating to this Agreement, including amendments thereto, contingent upon approval by County Counsel and Risk Management, which do not affect the maximum dollar amount or term of the Agreement.
