Fiscal Impact/Change to Net County Cost: None. This funding and offsetting expenditures will be identified in the Sheriff's Office Fiscal Year 2012/13 budget.

Background: Each year the County receives funds from the California Department of Boating and Waterways to patrol the County's rivers and lakes. Funding received by the Sheriff pays for Extra-Help Deputy Sheriff's who patrol rivers and lakes in the unincorporated area of the County from May

through September. Funding is also provided for permanent staff who provide river and lake patrol service on a year-round basis, as well funding for the supplies and equipment needed to run the boating program. As a condition of participating in this program, the County must use the boat property taxes to partially fund this program. The Auditor's Office provides the estimated funding, which will be included in the Sheriff's Fiscal Year 2012/13 budget in the amount of \$128,388.

Reason for Recommendation: The State has approved the State Department of Boating and Waterway's request for funding for Fiscal Year 2012/13. El Dorado County has been approved for \$319,546 for the period covering July 1, 2012 through June 30, 2013.

Action to be taken following Board approval: The executed contract and certified copy of the minute order from the Board meeting will be returned to the State Department of Boating and Waterways.
