Resolution 028-2011

Background: On June 29, 2010 the Board directed that an amendment to Section 602 of the County Charter be placed on the November 2, 2010 ballot for voter consideration. Measure G did not pass, losing by 1,610 votes. Supervisor Knight believes this amendment is a minor change that will make government more efficient, save taxpayer dollars and make it easier to do business in El Dorado County. Currently we have elected officials able to campaign for this measure and hope we would find this a more favorable time to have this measure approved by the electorate.
