None. These debts have been uncollectable for more than 10 years and the cost to continue collection efforts exceed the amount to be collected per case or as a result of the debtor being deceased. These debts have not been factored into the County budget.

### Reason for Recommendation

The Courts and Revenue Recovery have developed procedures for discharging debts based on guidelines provided by the Administrative Office of the Courts (AOC). The procedures require approval by the Court Executive Committee and approval by the Board of Supervisors to discharge the uncollectable debts. The Collection Committee, comprised of the Court, Revenue Recovery and Probation recommend the discharge and dismissal of the debts included on the attached Discharge of Accountability Report. This recommendation has been approved by the Court Executive

Committee, and now required approval by the Board of Supervisors.

This item is being brought before the Board of Supervisors pursuant to Government Code sections 25257 - 25259 which states, ".....the likelihood of collection does not warrant the expense involved....."

**Action(s) to be taken following Board approval**
