Fiscal Impact/Change to Net County Cost

Procurement and Contracts has been advised that funding is available within the various Departments' budget.

Reason for Recommendation

The Procurement and Contracts division issued an Invitation to Bid for propane gas for County wide use on the Western Slope of El Dorado County. The vendor was requested to bid a differential rate over the Butane Propane News (BPN), San Francisco location. This will provide the West Slope of El Dorado County with secured pricing for the awarded period.

The bid award was increased from a two-year (2-year) term, to a five-year (5-year) term at the request of local propane companies, in order to make the services of changing out the leased propane tanks cost effective for the awarded vendor.

Eight invitations to bid were mailed, all local vendors; seven qualified responses were received, all from local vendors.

Action to be taken following Board approval

Following Board approval, the Procurement and Contracts division will issue a blanket purchase order in the amount of \$1,500,000.00 to Hunt & Sons, Inc. of Placerville, CA. for the five-year (5-year) term.
