Acting as the Board of Directors of the El Dorado County Air Quality Management District:  
Chief Administrative Office recommending the Board adopt Resolution **097-2013** adopting the Fiscal  
Year 2013-14 Budget for El Dorado County Air Quality Management District.

**Background :** Health and Safety Code sections 40130-40131 requires that the Air Quality  
Management District adopt their budget in an open process, separate from other budget processes to  
ensure full opportunity for the public to participate in, and comment upon, a district's budget prior to  
adoption.

### Reason for Recommendation

Beginning May 3, 2013, the district has prepared and made available to the public a summary of its  
budget. Notices went out to everyone who was subject to Air District fees during fiscal year 2012-13  
regarding the public hearing date of June 4 and the availability of the budget summary at the Air  
District office and online at the Air District web site. The public hearing was held with no public  
comment or changes requested by the Board.
