Background

Due to the historically high turnover rate, and the two recently failed recruitments for the position of

Director of Human resources, the Chief Administrative Office is recommending an adjustment to the salary for this position. The adjustment is necessary to make the salary commensurate with the scope and magnitude of the responsibilities of the position and to make the salary comparable to that of other appointive positions within the County.

Action(s) to be taken following Board approval

Human Resources will implement the changes.
