Background

The tentative subdivision map (TM05-1401) creating eight residential lots and a concurrent rezone application (Z05-0015), requesting the parcel be rezoned from Exclusive Agriculture to Estate Residential-Five Acres, was approved by the Board of Supervisors on June 15, 2010. A revision to add the phasing plan was approved by the Planning Commission on January 10, 2013.

Staff has reviewed and verified conformance of the Final Map with the approved Tentative Map and conditions of approval (Attachment D). The affected public agencies and departments, which include the El Dorado Hills Fire Department, County Transportation Division, and the Surveyor's Office, have reviewed and recommended approval of the map (Attachments E, F, and G). The application request to LAFCO for annexation of the eight lot subdivision into the El Dorado Irrigation District and the El Dorado Hills Fire Protection District is included as Attachment H.

Environmental Review: The filing of a Final Map is Statutorily Exempt from environmental review under Section 15268(b)(3) of the CEQA Guidelines.
