Reason for Recommendation

At the request of Community Development Agency-Transportation Division-Fleet Unit, the Procurement and Contracts division issued an Invitation to Bid for new fleet vehicles. Generally, a vehicle is replaced when it reaches the target mileage standard as determined by Fleet Management, or when it is damaged beyond repair. All vehicle replacements are in accordance with the revised Vehicle Standards approved by the Board of Supervisors on April 4, 2011 (Legislative File 11-0178). Ten vehicle types were included in the bid solicitation, thirty-four (34) invitations to bid were mailed, three (3) to local vendors, five (5) responses were received, none from local vendors. Attachment A shows the bid evaluation and the total quantity of each vehicle to be ordered. Detailed bid information is available online at the Procurement & Contracts website:
