Background

Government Code Sections 50050, 50051 and 50053 provide that unclaimed funds remaining in the county treasury after three (3) years become the property of the local agency, if not claimed after notice is published in a local newspaper. The source of funds is a refund of overpayment of taxes

returned to the Treasurer/Tax Collector. Notice was published in a newspaper of local circulation on November 4 and November 11, 2013. No claimants came forth, and there is no involvement of a victim, a minor, or a person of unsound mind.

Reason for Recommendation

On September 10, 2013, the Board adopted Resolution 132-2013 delegating authority to the Treasurer/Tax Collector to transfer unclaimed funds to the County General Fund as prescribed by California Government Code for individual items in the amount of \$5,000 or less. This transfer exceeds that amount therefore Board approval is required for transfer of the funds.

Upon authorization by the Board, the Treasurer/Tax Collector's Office will submit a journal entry to the Auditor-Controller to transfer the funds from the trust fund to the General Fund.
