Fiscal Impact/Change to Net County Cost

No Change to Net County Cost. The costs are budgeted in Sheriff's Office FY 13/14 and will be included in future fiscal year budgets.

Background

On April 11, 2011, Agreement #413-S1110 with Siemens Industry Inc. was signed by the Purchasing Agent for a three-year term until March 31, 2014, in the amount of \$40,000, which was approximately \$8,432 annually with additional costs for repairs as needed.

Siemens Industry Inc. contacted the Sheriff's Office as their initial three-year contract was ending and inquired if the County would be willing to sign a five-year contract to secure the pricing and commit to contracting with their company for a longer term. Since this secure pricing had the cost saving benefit of renewal of the contract with no increase, and a fixed rate for five-years, the Sheriff's Office was in agreement, and the new Agreement # 437- S1411 is being brought before the Board for approval.

Reason for Recommendation

Adoption of this recommendation will allow the El Dorado County Sheriff's Office to enter into a five-year Agreement with Siemens Industry Inc. for maintenance and testing and repairs as needed for the Fire Alarm System at the Placerville Jail at a fixed rate of \$8,432 annually, and additional repair costs as needed, for the next five years.

Clerk of the Board Follow Up Actions

Signed Agreement will be submitted to Siemens Industry Inc. and payment will be made as invoices are received.
