Supervisor Santiago requesting the Board consider approving the Chair's signature on a letter to the leaders of the California State Senate and Assembly from rural counties expressing the need to address water storage as a concern in the State's quest to pursue a statewide water bond.

Pursuant to the request of San Joaquin County Supervisor, Larry Ruhstaller, and Tulare County Supervisor, Allen Ishida, rural counties are encouraged to join their effort to compel the California State Senate and Assembly that any water bond proposal should also address the need for expanded water storage.
