Background

HHSA maintains Agreements for services with local domestic violence service providers to support domestic violence programs and shelters, funded by a portion of each County marriage license and payments made by offenders of domestic violence who have been granted probation. W&I Code §18290 through §18305, specifically §18305, requires that payments from this special revenue fund go to organizations whose primary function is to administer domestic violence shelter based programs. The programs were selected based on a RFQ process.

Reason for Recommendation

The Agreements awarded via RFQ No. 14-918-069 for the provision of Domestic Violence Shelter Based Services expired June 30, 2014. W&I Code §18290 through §18305 stipulate that a new RFQ must be issued prior to entering into a new Agreement for these services. RFQ No. 14-918-069 soliciting eligible, qualified, community based organizations to provide Domestic Violence Shelter Based Services consistent with W&I Code and that provide direct emergency crisis shelter services to victims of domestic violence and their children were issued in April 2014. The contract is retroactive due to length of the RFQ process.

Clerk of the Board Follow Up Actions

Following Board approval, HHSA will finalize Agreements with the following vendors, contingent upon approval by County Counsel and Risk Management, and return two (2) originals of each vendor-executed Agreement to the Clerk of the Board for final execution by the Chair of the Board of Supervisors:

- 1) The Center for Violence Free Relationships of Placerville, CA, Agreement No. 089-S1511, in the amount of \$65,000 per fiscal year with a maximum obligation of \$195,000 for three (3) years.

2) Live Violence Free of South Lake Tahoe, CA, Agreement No. 090-S1511, in the amount of \$65,000 per fiscal year with a maximum obligation of \$195,000 for three (3) years.

Following final execution, the Board Clerk will forward one (1) original of each fully executed Agreement to the HHSA Contracts Unit for distribution and administration.
