Community Development Agency, Transportation Division, recommending the Board adopt Resolution **132-2014** to claim an allocation of \$50,000 in State Exchange Transportation Enhancement Funds from the El Dorado County Transportation Commission for the Overlay-Francisco Drive Project for the construction of Class II Bike Lanes between El Dorado Hills Blvd. and Cambria Way/Embarcadero Drive, CIP Project No. 72186.

**FUNDING:** State Exchange Transportation Enhancements Funds Per El Dorado County Transportation Commission Resolution No. 13/14.03.

### Fiscal Impact/Change to Net County Cost

There is no change to net County cost. The Overlay-Francisco Drive Project Class II Bike Lanes between El Dorado Hills Blvd and Cambria Way/Embarcadero Drive (CIP Project No. 72186) was included in the budget and the 2013 Capital Improvement Program.

### Background

In July 2013, the Community Development Agency, Transportation Division (Transportation) submitted a project funding request to the El Dorado County Transportation Commission (EDCTC) for \$50,000 of Transportation Enhancement (TE) funds. The TE funds were requested for construction of future bicycle facilities along Francisco Drive.

The Francisco Drive overlay project construction included improving existing roadway gravel shoulders with asphalt concrete pavement and striping for Class II bike lanes between Cambria Way/Embarcadero Drive and the northern limits of the Francisco Drive Right-Turn Pocket Project.

On August 1, 2013 the EDCTC's Board of Directors adopted Resolution 13/14.03 allocating \$50,000

in State Exchange Transportation Enhancements funds to Transportation for the Project.

The Overlay-Francisco Drive Project was completed in FY 2013/14 with Regional Surface Transportation Program funds in addition to the requested TE funds.

**Reason for Recommendation**

EDCTC requires a Resolution adopted by the Board of Supervisors (Board) authorizing Transportation to claim State Exchange Transportation Enhancements funds that were allocated by EDCTC Resolution 13/14.03.

**Action to be taken following Board approval**

1. The Clerk of the Board to obtain the Chair's signature on the Resolution.
2. The Clerk of the Board to send a fully-executed copy of the Resolution to the Community Development Agency, Admin and Finance Division.
