Chief Administrative Office, Economic Development Division, recommending the Board receive a presentation from the El Dorado Arts Council providing an annual status report for promotional funding. (Est. Time: 15 Min.)

The El Dorado Arts Council received funding through the County Promotions Program for fiscal year 2013-2014 to support a series of cultural events. A contractual requirement of the funding agreement is to provide an annual report to the Board of Supervisors demonstrating success in accomplishing the goals of the program. That report is being presented today. An electronic version of the presentation is also attached to this agenda item.
