Due to the ever-changing technology of wireless communication systems, this special use permit shall be reviewed by the El Dorado County Planning Commission every five years. The Planning Commission shall review the status report and, based on an assessment of the information provided, current wireless technology, and possible local or cumulative impacts, determine whether to: (1) Modify the conditions of approval in order to reduce identified adverse impacts; and/or (2) Initiate proceedings to revoke the special use permit, requiring the facility's removal, if it is no longer an integral part of the wireless communications system. By operation of this condition, it is the intent of County to reserve the right to modify or add new conditions, consistent with the language specified above. The failure of the County to conduct or complete a five-year review in a timely fashion shall not invalidate the Special Use Permit.
