Chief Administrative Office recommending the Board approve a letter of support for Assembly Bill 301, which would allow the buyer and seller of a property with a habitable structure in the State Responsibility Area to negotiate the Fire Prevention Fee as one of the terms of the sale. It would also require CAL FIRE to notify fee payers that they are allowed to negotiate the fee if there is a transfer of ownership.

DEPARTMENT RECOMMENDATION

AB 301 would allow the buyer and seller of a property with a habitable structure in the SRA to negotiate the Fire Prevention Fee as one of the terms of the sale. It would also require CAL FIRE to notify fee payers that they are allowed to negotiate the fee if there is a transfer of ownership.

DISCUSSION / BACKGROUND

Created by the Legislature and Governor as part of the 2011 Budget, the Fire Prevention Fee charges property owners \$152.33 for each habitable structure located in the SRA. The owner of the habitable structure, which is determined by the owner on record as of July 1st, must pay the fee within 30 days for the entire year even if the property changes ownership.

AB 301 will remedy this problem by requiring the department to notify property owners in the SRA that they can negotiate the SRA fee as a term of the sale of their property. This bill would also clear up any confusion around the legality of negotiating the fee as a term of the sale.
