### DEPARTMENT RECOMMENDATION

Supervisor Novasel is recommending that the Board receive and file a presentation on Primal Quest Expedition 2014, Tahoe. This event will be held August 20-28, 2015, beginning and ending in South Lake Tahoe. The course will traverse approximately 500 miles, the majority of which will encompass the High Sierra terrain of El Dorado County.

### DISCUSSION / BACKGROUND

In 2002, Primal Quest Expedition was established as the largest adventure race event in North America with the first premier event held at Telluride, Colorado. Since then, subsequent editions of Primal Quest have included Lake Tahoe - 2003, Orcas Island, Washington - 2004, Moab, Utah - 2006, Montana - 2008 and the Badlands of South Dakota - 2009. Primal Quest Expedition adventure returns to Lake Tahoe to challenge 20 co-ed teams of 4 to trail & road run, mountain & road bike, flat water & down water paddle, and mountaineer & climb, fueled only by their own strength, through the back country at ultra distances of 400-700 KM, day and night (non-stop) across expansive terrain in an environmentally conscious way, using only a map, a compass and the combined skills of a team.
