DEPARTMENT RECOMMENDATION

Negotiations concluded with property owners, Matthew and Jonalin McCollum, securing the County's interest in the fifteenth of twenty-eight project acquisition parcels, and a settlement has been reached

that is representative of the appraised value rounded to a compensatory value of the necessary land rights.

The Community Development Agency, Transportation Division (Transportation) recommends that the Board Chair sign the Easement Acquisition Agreement for Public Purposes for the Diamond Springs Parkway - Phase 1A - SR-49 Realignment Project (Project). The Temporary Construction Easement acquisition is necessary for construction of the Project.

DISCUSSION / BACKGROUND

Transportation is currently in the design phase of the project. Originally referred to as the "Missouri Flat Pleasant Valley Connector", this project will provide improved traffic circulation and safety through and around the historic town of Diamond Springs. Phase 1A is the first of two phases necessary to complete the entire project design and includes realigning, widening and improvements to SR-49 from the new parkway intersection south to Pleasant Valley Road and signalization of multiple intersections. While the full benefit will not be realized until completion of all phases of the project, Phase 1A will add benefit to the County's traffic circulation and independent utility.

The Project is included in the Community Development Agency's 2014 Capital Improvement Program as adopted by the Board of Supervisors on June 24, 2014 (Item No. 64) and is subject to the California Environmental Quality Act. The Environmental Impact Report was approved by the Board of Supervisors on May 24, 2011 (Item No. 39). Construction is anticipated to begin in 2016.

County Counsel

CAO RECOMMENDATION

CAO recommending moving staff's recommendation as this is an approved CIP project and the requested actions are consistent with standard practices.

FINANCIAL IMPACT

The acquisition cost is \$1,100.00 with title and escrow costs estimated at \$2,500.00 for a total estimated cost of \$3,600.00. Funding for the acquisition process is budgeted in the Capital Improvement Program and will be provided by a combination of Master Circulation & Funding Plan Financing (MC&FP), 2004 GP Traffic Impact Mitigation Fee Program, West Slope Traffic Impact Mitigation Fee Program, and Local Tribe funds. This project has no Net County Cost.

CLERK OF THE BOARD FOLLOW UP ACTIONS

- 1) The Clerk of the Board will obtain the Chair's signature on two (2) copies of the Easement Acquisition Agreement for Public Purposes and the Certificate of Acceptance for the Acquisition.
- 2) The Clerk of the Board will return one (1) copy of the fully executed original Easement Acquisition Agreement to Transportation for final processing.
- 3) The Clerk of the Board will return the signed Certificate of Acceptance and the executed Grant documents to Transportation for final processing.
