DEPARTMENT RECOMMENDATION

The Sheriff's office recommends that the Board accept the award and authorize the Sheriff to sign the Grant documents to receive these funds from the California Department of Parks and Recreation for operating costs for law enforcement of the County's OHV trails.

DISCUSSION / BACKGROUND

Since 2009, the Sheriff's Office has been applying annually for the grant funding to offset the costs to patrol the Rubicon Trail. The grant from the California Department of Parks and Recreation provides 75% of the operating costs, and the County is responsible for a 25% match.

Recently, the Sheriff's Office received notification of the grant award from the California Department of Parks and Recreation in the amount of \$117,617.00. Law enforcement salary and benefits, as well as general operating expenses for law enforcement on the Rubicon Trail are eligible project costs under this grant. The 25% County Match is funded through the use of SMUD Cooperation Agreement special revenue funds which has already been included in the Sheriff's Office budget during the County Recommended Budget process. These funds offset salary, benefits, overtime and operational costs for providing patrol services on the Rubicon Trail during the OHV high season months.
