Chief Administrative Office, Parks Division, recommending the Board consider the following:
1) Receive a presentation from the National Pony Express Association on the installation of official National Historic Trail Signs for the Pony Express Trail; and
2) Approve the National Pony Express Association's proposal for the first phase of trail signage on the original trail route in El Dorado County from Shingle Springs to El Dorado. (Est. Time: 15 Min.)

DEPARTMENT RECOMMENDATION

Parks Division recommends the Board receive the presentation from the National Pony Express Association and approve the National Historic Trail Signage proposal.

DISCUSSION / BACKGROUND

Local representatives of the National Pony Express Association (NPEA) contacted the Parks Division of the Chief Administrative Office, to request the County's assistance for the proposed signage of the original Pony Express Trail route in El Dorado County. It was decided that the signage of the original trail be phased, with the first phase starting in Shingle Springs and continuing to El Dorado, adjacent to and on Mother Lode Drive.

The Parks Division and NPEA worked with Community Development Agency, Transportation Division, Maintenance and Operations, to apply for an encroachment permit and to determine the size, location and installation of the signage. The encroachment permit was granted and the final mapping of the signage locations was completed and approved by the Transportation Division and NPEA pending Board approval.
