Background:

The IHSS Advisory Committee was established by Ordinance No. 4612 dated September 24, 2002 under the statutory authority of Welfare and Institutions Code 12301.6. The purpose of this independent advisory committee is to provide advice and make recommendations on the IHSS Public Authority to the Governing Board and administrative agency of the Public Authority. The Committee may be comprised of no more than 11 individuals: six (6) current or past recipients of IHSS Services, two (2) current or past providers of services and three (3) representatives of an allied community agency.

Reason for Recommendation:

It is vital that the IHSS PA Advisory Committee continue to have an active membership to help the Public Authority fulfill its goals and reach its future objectives. The staff wishes to send a letter to acknowledge and thank Mrs. Rimbault for her service on the IHSS Advisory Committee. Appointment of the six new members brings the Committee close to full membership. Only two (2) designated committee seats remain vacant, one (1) current or past user of in-home services and one (1) representative of an allied community agency. The IHSS Public Authority will continue to recruit for these positions and will bring names forward for appointment by the Governing Board.

Action to be taken following Board approval: Board Clerk to send letter to resigning member Roberta Rimbault and notice of appointment letters to all newly appointed members. Confidential member contact information provided separately.
