FUNDING: The provisions of the Funding, Credit, and Reimbursement Agreement between West Valley, LLC and the County of El Dorado require that the developer of West Valley advance fund the construction of the Latrobe Road Project through the prepayment of El Dorado Hills Traffic Impact Mitigation (TIM) fees. A bond was issued and a portion of the proceeds were used to prepay \$23 million in El Dorado Hills TIM fees. These prepaid fees are held in a segregated fund and will be utilized to fund the Latrobe Road and White Rock Road improvements, which include this project.
