Fiscal Impact/Change to Net County Cost: There will be an increase to Contingency in teh amount of \$24,472.

### Background:

Reason for Recommendation: The Timeshare Assessment Fund has earned revenues for FY 07/08

in excess of the adopted budget. Those funds reimburse the three departments for the cost associated with timeshare assessment administration. This transfer will increase the estimated revenue for each of the departments, but at this time there is no need to increase departmental appropriations. We therefore are recommending an increase in the Appropriation for Contingency.

Action to be taken following Board approval: Approve the attached budget transfer
