Community Development Agency, Transportation Division, recommending the Board authorize the Chair to sign First Amendment to Agreement between the El Dorado County Transportation Commission and El Dorado County for Fiscal Year 2013/14 and Fiscal Year 2014/15 Regional Surface Transportation Program Exchange Funds.

FUNDING: Regional Surface Transportation Program Exchange Funds.

DEPARTMENT RECOMMENDATION

Community Development Agency, Transportation Division, recommending the Board authorize the Chair to sign First Amendment to Agreement between the El Dorado County Transportation Commission (EDCTC) and El Dorado County for Fiscal Year (FY) 2013/14 and FY 2014/15 Regional Surface Transportation Program (RSTP) Exchange Funds, replacing Exhibit A with Exhibit A-1 (6/28/16), subject to County Counsel review and approval.

DISCUSSION / BACKGROUND

As authorized by Section 182.6(g) of the Streets and Highway Code, EDCTC has entered into Agreements X14-6157(050) and X15-6157(054) with the California Department of Transportation to assign a defined portion of its annual RSTP apportionment to Caltrans in exchange for FY 2013/14 and FY 2014/15 nonfederal State Highway Account Funds. EDCTC is authorized to use these Exchange Funds to assist local agencies in promoting projects which otherwise qualify for RSTP funds. EDCTC is required to execute formal written agreements between EDCTC and RSTP Exchange Recipients and provide oversight of the program funds. The EDCTC Board approved the allocation and payment of FY 2013/14 funds on June 19, 2014, and the allocation and payment of FY

2014/15 funds on December 3, 2015, calculated per the formula-based distribution policy adopted by EDCTC on February 3, 2011. The expiration date of the funds is five (5) years from the date funds are allocated by the EDCTC.

On November 17, 2015 (Item 24), your Board approved Agreement between EDCTC and El Dorado County for FY 2013/14 and FY 2014/15 Regional Surface Transportation Program Exchange Funds allocating a total of \$849,358 for the County's use, including \$349,358 for Bucks Bar Road at North Fork Cosumnes River-Bridge Replacement Project 77116; \$300,000 for County-wide road rehabilitation and maintenance materials and activities; and \$200,000 for the Newtown Road at South Fork of Weber Creek-Bridge Replacement Project 77122.

The RSTP Agreement allows for an amended project list. This Amendment I decreases funding for the Bucks Bar Road Bridge Project by \$334,901.46, increases funding for the Newtown Road Bridge Project by \$173,933, and adds the U.S. 50/Camino Area Safety Project 71319 for \$160,968.46. Funding for the Bucks Bar Road Bridge Project is available from Traffic Impact fees.

ALTERNATIVES

The Board could choose not to approve this Amendment and the project funding list would not change. However by approving the revised project lists and allocations, the County is better able to leverage funding to assist with the delivery of various capital improvement projects.
