DEPARTMENT RECOMMENDATION

Sheriff's Office recommends the acceptance of the new equipment and return of the old equipment to enable Sheriff's staff to have the most up-to-date exercise equipment available.

DISCUSSION / BACKGROUND

In 2005, the Deputy Sheriff's Association (DSA) donated exercise equipment to outfit the Sheriff's Office exercise room. The existing equipment in the exercise room is getting worn out and is old. The DSA is donating new equipment to the Sheriff's Office and the equipment will be kept in the South Lake Tahoe exercise room. The Sheriff's Office on-duty exercise wellness program provides an opportunity to be physically and mentally well. This includes but is not limited to, emotional and stress management and diet. One component of the program is on-duty exercise/training. The intention of the on-duty exercise/training is not to "body build", but to exercise to maintain healthy bodies and minds. Therefore, participants limit the amount of weight lifted and exercise done to avoid injury or sickness as a means to maintain physical fitness and mental fitness. The purpose of the program is to enable staff to pursue their physical fitness goals in-order to enhance their fitness on the job.
