DEPARTMENT RECOMMENDATION

The Clerk of the Board recommends approval pursuant to California Elections Code 10404.

DISCUSSION / BACKGROUND

Resolution No. 2016-4 was adopted by the Golden West Community Services District (GWCS D) Board of Directors on May 14, 2016 to consolidate the District's elections (currently held in odd numbered years) with the statewide general elections held in even-numbered years. This resolution is authorized by and was adopted pursuant to Elections Code Section 10404. Before it can become effective, however, it must be approved by the Board of Supervisors in each county in which the District is located. The Clerk of the Board received the materials related to this matter on June 2, 2016.

Pursuant to subdivision (c) of Elections Code Section 10404, the Board of Supervisors is to notify all districts located in the County of its receipt of this resolution, and request their input on the effect of

consolidation. Notification letters were sent to all districts on June 6, 2016 with a deadline to respond by June 21, 2016.

Pursuant to subdivision (d) of Elections Code Section 10404, the elections official shall prepare and transmit to the board of supervisors an impact analysis of the proposed consolidation.

Pursuant to subdivision (e) of Elections Code Section 10404, the Board of Supervisors is to approve the District's resolution within 60 days of submission (to the Clerk of the Board), **unless** the Board of Supervisors finds that the ballot style, voting equipment, or computer capacity is such that additional elections or materials cannot be handled.

ALTERNATIVES

Per Elections Code Section 10404 subdivision (e), the Board may chose not to approve of the GWCS D effort to consolidate their election of Board Director **if** the Board of Supervisors finds that the ballot style, voting equipment or computer capacity is such that additional elections or materials cannot be handled.

CAO RECOMMENDATION

Adopt a Resolution approving the consolidation of GWCS D elections of their members of the Board of Director's (currently held in odd-numbered years) with the statewide general elections held in even-numbered years.

FINANCIAL IMPACT

The addition of more races to the general election will increase the overall cost of the election, however, all entities going to election pay their pro-rata share of the election costs. The department believes that any increase in cost will be negligible and likely outweighed by the savings of removing GWCS D from the odd-year election.

CLERK OF THE BOARD FOLLOW UP ACTIONS

The Clerk of the Board shall transmit one (1) copy of the fully executed Resolution and one (1) original Minute Order to the GWCS D to the attention of:
