DEPARTMENT RECOMMENDATION

Approval of this item will allow the Sheriff's Office to use Boating and Waterways funding for boating safety and enforcement activities on County's waterways.

DISCUSSION / BACKGROUND

Each year the County receives funds from the California Department of Parks and Recreation Division of Boating and Waterways to patrol the County's waterways. Funding received by the Sheriff pays for full-time and Extra-Help Deputy Sheriffs' time for patrolling El Dorado County waterways on a year-round basis, as well as for the supplies and maintenance of equipment needed to run the boating program. As a condition of participating in this program the County must use the boat property taxes to partially fund this program. The Auditor's Office provides the tax revenue estimates,

which will be included in the Sheriff's Fiscal Year 2016/17 budget in the amount of \$125,325.
