DEPARTMENT RECOMMENDATION

Community Development Agency (CDA), Development Services Division, recommending the Board approve the Final Map (TM95-1309-F-5) for Ridgeview West, Unit 5, Subdivision.

DISCUSSION / BACKGROUND

The 1.936 acre site is identified by Assessor's Parcel Numbers 120-700-04 and 120-700-05 (Exhibit A) on the southwest corner of the intersection of Via Treviso Road and Via Barlogio Road in the El Dorado Hills area (Exhibit B).

This Final Map would create 4 residential lots, ranging in size from 0.462 acre to 0.518 acre (Exhibit C). The Final Map conforms to the second Revision to the Unit 4 Tentative Subdivision Map, as approved by the Planning Commission on August 27, 2009 (Exhibit D), allowing a re-subdivision of Lots 4 and 5 of Ridgeview West, Unit 4, thereby creating Ridgeview West, Unit 5. Exhibit E details the verification of the Final Map for conformance with the approved Conditions of Approval for the Revised Tentative Subdivision Map. County divisions/departments and affected outside agencies, including the CDA Transportation Division, County Surveyor's Office, and the El Dorado Hills Fire

Department have recommended approval of the Final Map. The applicant has submitted a "Status Letter" from the El Dorado Irrigation District dated June 14, 2016, that verifies water and wastewater services have been purchased for each lot within the Subdivision and will be available upon completion of the facility extensions and acceptance of the improvements by the District (Exhibit F).

A Subdivision Improvement Agreement is not required for this Final Map as all of the necessary improvements were previously constructed.

Environmental Review: The review of the Final Map is a ministerial process and is Statutorily Exempt from environmental review under Section 15268(b)(3) of the California Environmental Quality Act Guidelines.
