DEPARTMENT RECOMMENDATION

Health and Human Services Agency (HHSA) recommending the Board approve and authorize the Chair to sign Agreement for Services 165-S1711 for the period of January 1, 2017 through December 31, 2019 in the amount of \$427,616. This agreement will provide Kinship Finding and Family Engagement services for those youth involved in the foster care system, with the intent on reducing their long-term placement in non-kin homes.

DISCUSSION / BACKGROUND

On September 27, 2016, the Board approved the award of Request for Proposal (RFP) 16-918-062 (File ID 16-0817), to the successful proposer, Lilliput Children's Services, to provide Kinship Finding, Family Engagement, and Life Long Connections services for youth in foster care.

Kinship Finding, Family Engagement, and Life Long Connections services are efforts aimed at building a network of committed adults to support youth in foster care. The goal of this program is to identify and engage these adults in order to create a stable living environment for foster youth within the County. The impact of this program should result in fewer youth being involved in long-term foster care services, and instead more youth living with kin relations.

ALTERNATIVES

Should the Board decline to approve the Agreement for Services, the County would not provide Kinship Finding, Family Engagement, and Life Long Connections services to foster youth within the county.

OTHER DEPARTMENT / AGENCY INVOLVEMENT

County Counsel and Risk Management.

CAO RECOMMENDATION

It is recommended that the Board approve this item.
