DISCUSSION / BACKGROUND

In 1996, the Sacramento-Placerville Transportation Joint Powers Authority (SPTC-JPA) acquired title to the Southern Pacific railroad right of way (transportation) corridor (SPTC). The SPTC-JPA by written agreement, delegated the management of the portion of the right of way located within El Dorado County's jurisdiction to the County.

The County has been operating under lease agreement #151156 dated July 26, 1966 with the lessee as a "Consensual Holdover Tenant" on a year-to-year basis. The County is in the process of trying to update all the lease agreements along the SPTC corridor to align with the standard County lease format. While this lease agreement is retroactive, the County has been sending invoices and receiving annual payments based on the original operating lease agreement.

This particular property is leased to the Lessee for the sole purpose of conducting business and activities related to support Sierra Door & Supply, Inc.
