DEPARTMENT RECOMMENDATION

Agriculture Department recommending the Board: 1) Approve and authorize the Chair to sign a Budget Transfer (Attachment A) in the amount of \$11,878, adjusting revenues and appropriations for Fiscal Year 2016/17.

DISCUSSION / BACKGROUND

The Agriculture Department contracts with California Department of Food and Agriculture (CDFA) for the trapping of various pests. CDFA has increased the Pest Detection contract to include the trapping of Asian Citrus Psyllid with an additional \$9,878 in revenues and the same in appropriations for labor. This additional funding was addressed in our year end projections. The second portion of the funding is from the California Agricultural Commissioners and Sealer Association Pesticide (CACASA) for the purchase of two additional tablets in the amount of \$2,000 to be used with the California Pesticide Enforcement Activity Tracking System (CalPEATS).

This new revenue and appropriations will be expended by the end of the fiscal year.

ALTERNATIVES

The Board may elect not to approve the Budget Transfer as proposed, although proper accounting for operating activity may be jeopardized. All proposed adjustments are necessary to accurately reflect FY16/17 activity of trapping and purchase of tablets.
