DEPARTMENT RECOMMENDATION:

Board of Supervisors Policy C-17, Section 4.5, "Contract Term," requires departments to obtain authorization from the Board of Supervisors, initially, and on an annual basis, to use any contract that does not have a stated agreement term. It is the intention of Health and Human Services Agency (HHSA) to apprise the Board of these perpetual agreements and to seek authorization for the Purchasing Agent to prepare blanket purchase orders, as needed, for associated Fiscal Year (FY) 2017 - 2018 payments. HHSA recommends continuation and approval of the subject agreements through FY 2017 - 2018 as each perpetual agreement is required for the administration and provision of services to the community (refer to Attachment 7A).

Additionally, HHSA has determined, in accordance with County Ordinance Section 3.13.030, that it is more economical and feasible to engage independent contractors for the various services provided via these perpetual agreements as noted in Attachment 7A.

DISCUSSION / BACKGROUND:

On June 14, 2016 (File ID 13-0674, Item 11), HHSA presented to the Board a total of 175 active perpetual agreements (109 expenditure and non-financial, 12 revenue, and 54 "to be terminated") active perpetual agreements, of which HHSA recommended the Board approve continuation of 121 perpetual agreements in accordance with Board of Supervisors Policy C-17, Section 4.5, "Contract Term," with a remainder of 54 perpetual agreements that HHSA recommended be terminated.

In May 2017, HHSA requested an evaluation by the Purchasing Agent of the appropriateness of including revenue and nonfinancial agreements in the list of perpetual agreements presented to the Board. At that time it was recommended that only those perpetual agreements that are covered under Board of Supervisors Policy C-17 be presented for approval. Nonfinancial agreements are covered by Board of Supervisors Policy C-18, and revenue agreements are not subject to requirements under Board Policy C-17. Therefore, the list of agreements attached hereto as Attachment 7A represents only those Agreements for Services that are covered by Board Policy C-17.

During FY 2017-2018, HHSA will continue to monitor and research the existing perpetual agreements, and for ones that are no longer needed, will terminate them as appropriate; HHSA will continue to notify the Board of such terminations on an annual basis.

ALTERNATIVES:

If the Board does not approve continuation of these perpetual agreements, HHSA will be unable to process payment for services provided under said agreements. Likewise, should the Board decline to authorize termination of perpetual agreements to be identified by HHSA that are no longer needed, as requested, those contracts will remain active and require annual presentation to the Board for review.

OTHER DEPARTMENT / AGENCY INVOLVEMENT:

The Purchasing Agent to encumber funds and establish blanket purchase orders, as necessary, for payment of FY 2017 - 2018 costs associated with HHSA perpetual agreements and blanket purchase orders detailed in Attachment 7A.

County Counsel, Risk Management, Human Resources, and Purchasing Agent approvals were obtained prior to execution of each perpetual agreement and blanket purchase order, as applicable.

CAO RECOMMENDATION:

It is recommended that the Board approve this item.

FINANCIAL IMPACT:

There is no Net County Cost associated with this Agenda Item. The value of each perpetual agreement and blanket purchase order for FY 2017-2018 is identified in Attachment 7A. Sufficient appropriations will be included in the Fiscal Year 2017-2018 Budget, and will be included in future budgets for the term of the perpetual agreements.
