DEPARTMENT RECOMMENDATION

Health and Human Services Agency (HHSA) recommending the Board approve Agreement for Services 095-S1811 with El Dorado County Office of Education to provide Child Abuse Prevention Council (CAPC) activities. Welfare and Institutions Code (WIC) 18983 mandates that Counties fund a child abuse prevention coordinating council. County of El Dorado began contracting with El Dorado

County Office of Education in 2009 for the provision CAPC activities. The CAPC educational and training activities support child abuse prevention efforts throughout the County.

Additionally, HHSA has determined, in accordance with County Ordinance Section 3.13.030 and WIC 18983.5, legislative authority mandates that the service be performed by independent contractors.

DISCUSSION / BACKGROUND

Child Abuse Prevention Councils are required under WIC 18983, which mandates that counties establish a CAPC in order to carry out specific legislated functions, including child abuse prevention and intervention programs. On April 9, 2002, the Board established a CAPC and designated the Council as the Children's Trust Fund Commission, pursuant to WIC 18966. In 2009, the County began contracting with El Dorado County Office of Education to coordinate CAPC services. CAPC acts as an independent organization, functioning within County government, pursuant to WIC 18983.5.

Services provided through this Agreement are funded in part by the Community-based Child Abuse Prevention allocation; the Promoting Safe and Stable Families allocation; the Child Abuse, Prevention, Intervention, and Treatment allocation; and the Children's Trust Fund allocation. The CAPC Coordinator develops, coordinates, and implements said services as they relate to the allocation mandates.

This Agreement adds the service of Community Hubs. Community Hubs serve to offer a local point of access for services and outreach to isolated families in the surrounding communities. As with the other services provided through this Agreement, the CAPC will focus on educational and training activities to support child abuse prevention efforts throughout the County.

HHSA recommends terminating Agreement for Services 027-S1511, which is the existing CAPC Agreement with services provided through EDCOE. Agreement for Services 027-S1511 does not include the Community Hubs service and the term is perpetual. Replacement Agreement, 095-S1811 adds Community Hubs and changes the term to three (3) years.

ALTERNATIVES

Disapproval of Agreement for Services 095-S1811 will result in an inability to meet funding source mandates. Disapproval also will negatively impact HHSA's ability to engage in community outreach to support child abuse prevention.

OTHER DEPARTMENT / AGENCY INVOLVEMENT

County Counsel, Human Resources, and Risk Management.

It is recommended that the Board approve this item.
