DISCUSSION/BACKGROUND

On July 18, 2017, the Board held a public hearing on the Environmental Impact Report and the proposed Project which consists of specific revisions to biological resources objectives, policies, and implementation measures in the Conservation and Open Space Element of the County's General Plan, adoption of an Oak Resources Management Plan (ORMP), adoption of an in-lieu fee to mitigate impacts to Oak Woodland Areas and Individual Oak Trees, and adoption of an Oak Resources

Conservation Ordinance to implement the ORMP. The public hearing on the overall proposed Project was closed and remains closed.

On September 28, 2017, the Planning Commission recommended approval to the Board of the proposed modification to General Plan Measure CO-K (delete reference to Objective 7.4.3 which has been eliminated) and the modifications to the proposed Oak Resources Conservation Ordinance listed in the staff memo (Legistar File 17-0937, Attachment 2A) and shown in Track Changes on Attachment 2B. The Planning Commission's recommendation included additional modifications (underlined) to Section 130.39.050(J), Exemption for Personal Use: "Removal of a native oak tree, other than a Heritage Tree or individual valley oak trees and valley oak woodlands..."

More detailed discussion and background information is included in the staff memo (Attachment 27A).
