requests.

Reason for Recommendation: Amendment I to Agreement 052-S0911 adds provision of parenting education classes to the scope and compensation articles of the Agreement, which originally allowed for provision of therapeutic counseling and other related services on an as-requested basis for clients of the Department of Human Services (DHS). Parenting education services are a successful tool for promoting reunification of families served by DHS. Contracting out to local vendors continues to be the most efficient and cost effective method of delivering these services to eligible DHS clients. Most services are court ordered and the vendor is paid on an actual cost basis. The "Notice to Parties" was also amended to reflect a change in the format. The July 1, 2008 through June 30, 2011 term of the Agreement remains unchanged, and the maximum compensation amount also remains unchanged at \$150,000.00 for the three (3) year term.

Purchasing Agent Recommendations: Outside review of the contractor's qualifications to perform the needed services was coordinated within the last three years. The Purchasing Agent concurs that the Department's request is in compliance with Board of Supervisors Policy C-17, Sections 7.5 and 7.10.

Action to be taken following Board approval:

1. Chairman to sign two (2) original Agreements
2. Board Clerk to return one (1) original Agreement to Department at 3057 Briw Road.
3. Department to distribute as appropriate.
