### DEPARTMENT RECOMMENDATION

The District Attorney recommends the Board approve this application and authorize the Chair to sign the Certification of Assurance of Compliance.

### DISCUSSION / BACKGROUND

The District Attorney's Office is in need of Child Advocacy Center (CAC) services through an accredited Multi-Disciplinary Interview Center (MDIC) program. The MDIC program currently operated by the District Attorney's Office is not an accredited CAC as defined by the National Children's Alliance (NCA). This funding will enhance victim service in El Dorado County and allow the agency to work towards the goal of NCA accreditation.

The County is eligible to receive \$218,750, which includes a local cash match in the amount of \$43,750, in Child Advocacy Center (KC) Program funding for Federal FY 2017/18 and FY 2018/19. With these funds, the County will

- 1) Obtain CAC accreditation, which includes assigning a Special Investigator as an MDIC Coordinator/Interviewer dedicated to improving multi-agency coordination while working towards NCA accreditation;
- 2) Improve and enhance its current paperless information and case management system called Gabriel for purposes of tracking and retrieval of NCA statistical information;
- 3) Enhance oversight of the multidisciplinary team;
- 4) Enter into a participating staff funding agreement with the Center for Violence Free Relationships to provide a direct link to counseling services; and
- 5) Provide access to training for multidisciplinary team members to stay abreast of new laws, research and accreditation requirements.

To meet the local cash match requirement, the District Attorney's Office will assign a Lead Deputy District Attorney to oversee the Special Victims Unit. It is estimated the Lead Deputy District Attorney will spend 25% of their time overseeing all aspects of child victim services and the legal services provided by other Deputy District Attorney's in the unit, preparing reports and grants, providing training and guidance, supervising staff and attending monthly multidisciplinary team meetings.

As set forth in the Request for Application (RFA), the District Attorney is required to obtain written authorization from the Board of Supervisors that the official executing the agreement is authorized to do so. The District Attorney recommends the Board approve the submission of the grant application and authorize the Chair to sign the Certification of Assurance and Compliance (Rev. 5/2017) for the Victims of Crime Act (VOCA) Fund. The Certification of Assurance of Compliance includes details regarding Federal Grant Funds, Equal Employment Opportunity Program, Drug Free Workplace Compliance, California Environmental Quality Act, Lobbying, Debarment and Suspension requirements, Proof of Authority from the Governing Board, Civil Rights Compliance and the special conditions for Subaward.
