### DEPARTMENT RECOMMENDATION

County Counsel recommending adoption of Resolution 012-2018 authorizing The Lake Tahoe Community College District to issue and sell, on its own behalf, up to \$15,500,000 of general obligation bonds which were authorized by the voters of the District on November 04, 2014.

### DISCUSSION / BACKGROUND

On November 04, 2014 the voters in the Lake Tahoe Community College District approved the issuance of up to \$55,000,000 in general obligation bonds for purposes set out in Measure F.

Historically, California community college district bonds were issued by the county in which the districts were located. However, the California Education Code section 15140(b) now provides an alternative under which the Board of Supervisors can authorize the community college districts to issue and sell bonds in a community college district's own name, subject to certain requirements. There is little practical difference. We have had several such requests in recent years and County Counsel, the Auditor-Controller, and the Treasurer-Tax Collector have agreed that it is preferable to allow the community college districts to issue bonds in their own names rather than having the county do it and potentially becoming embroiled in any disputes that might arise with respect to the bonds. It also avoids some county involvement in the actual preparation of the sale that would consume staff time.

The Board of Supervisors previously authorized the District to issue, on its own behalf a first series of bonds in the aggregate principal amount of \$19,500,000 (Resolution No. 115-2015).

### **ALTERNATIVES**

The alternative is for the Board to deny the District's request, decline to adopt the resolution, and instead have the County issue the bonds on behalf of the District, thus incurring administrative costs and potentially getting the County involved in any disputes that might arise related to the bond issuance. This is not a recommended action.

### **OTHER DEPARTMENT / AGENCY INVOLVEMENT**

The County Auditor-Controller and Treasurer-Tax Collector will work with the District to ensure proper collection and disbursement of taxes approved by the voters to fund the bonds.

### **CAO RECOMMENDATION / COMMENTS**

It is recommended that the Board approve this item.
