DEPARTMENT RECOMMENDATION

Chief Administrative Office, Procurement and Contracts Division is recommending that the Board declare the listed property as surplus and authorize the purchasing agent to execute a donation agreement with the El Dorado Hills Fire Department.

DISCUSSION/BACKGROUND

The Sheriff's Office has determined that forty (40) Carbon Monoxide (CO) Detectors are not suitable for use in patrol vehicles as originally intended and have been determined to be surplus items by the Sheriff's Office. The Sheriff's Office is requesting we donate the surplus items to the El Dorado Hills Fire Department. The El Dorado Hills Fire Department has a program in which the fire department donates and installs CO detectors to residents in need.

Property determined to be surplus to the needs of the Sheriff's Office is offered to other County departments in accordance with Purchasing Ordinance 3.12.190 - Surplus Pool. The attached list of "surplus property" reflects those items that remain surplus to the needs of the County. The Purchasing Agent will dispose of said property in accordance with the Purchasing Ordinance as

noted in Section 3.12.210 and Section 3.12.220 thereof by means of auction, direct sale or donation. The transfer of personal property to community organizations may be made in accordance with Government Code sections 25365 and 25372, and pursuant to a written agreement.

The Procurement and Contract Division is requesting that the Board authorize the Purchasing Agent to sign the attached Agreement for Use of Donated Surplus Property (#304-O1811) with the El Dorado Hills Fire Department to allow the surplus property to be donated.

ALTERNATIVES

The Board could choose to sell these items at auction.

OTHER DEPARTMENT / AGENCY INVOLVEMENT

Sheriff's Office

CAO RECOMMENDATION

It is recommended that the Board approve this item.

FINANCIAL IMPACT

None

CLERK OF THE BOARD FOLLOW UP ACTIONS

Upon approval of the recommendation, the Purchasing Agent will process an agreement with the El Dorado Hills Fire Department for the donation of forty (40) CO Detectors.
