DEPARTMENT RECOMMENDATION

Treasurer-Tax Collector recommending the Board discharge accountability to collect the debts listed on the attached Discharge of Accountability Report in the amount of \$336,126.21 deemed uncollectible due to death of debtor or bankruptcy. The Board is also asked to direct the County Auditor to adjust any charge against the Department in a like amount.

DISCUSSION / BACKGROUND

Government Code Sections 25257 through 25259 governs the discharge of accountability of debts due and payable to the County. The law allows the Board of Supervisors to make an order discharging the department, officer, or employee from further accountability and direct the County Auditor-Controller to adjust any charge against the department, officer or employee in the like amount.

The debts listed on the attached Discharge of Accountability Report are determined to be uncollectible due to death or bankruptcy.

Discharge of accountability does not constitute a release of any person from liability for payment of

any amount. The discharge procedure is not a write-off but a reduction of our delinquent accounts on the tax roll and the amounts the Treasurer-Tax Collector is "charged" with collecting. It is the department's practice to file liens against individual taxpayers who are delinquent on their unsecured taxes. Liens have been filed against all of the debts listed on the attached Discharge of Accountability Report.

This action to discharge accountability for debts deemed to be uncollectible due to death or bankruptcy will help streamline the work involved in the conversion to the new property tax system saving time and money for the County .

The Treasurer-Tax Collector will coordinate with the Auditor's Office as necessary to ensure appropriate recording of any financial transactions.
