DISCUSSION / BACKGROUND

The Development Plan (PD07-0008) for the Serrano Village J5 Commercial Center was approved by the Planning Commission on August 14, 2008 (Item 8). A revision to the Development Plan (PD07-0008-R) was approved by the Planning Commission on December 10, 2009 (Item 8). On March 11, 2010 (Item 9), the Planning Commission approved the Serrano Village J5 Commercial Center Phase II Parcel Map, allowing the development of four commercial parcels.

In accordance with the Conditions of Approval approved by the Planning Commission on December 10, 2009 (Item 8), the Developers shall improve the frontage along the east side of Bass Lake Road including constructing two access encroachments, a multiuse path, and a left turn pocket / refuge lane on southbound Bass Lake Road at the southerly access encroachment. The southerly access encroachment onto Bass Lake Road will allow full access including left turns in and out, while the northerly access encroachment will be restricted to right-in and right-out turning movements only.

Approval of this Agreement will allow the Developers to make improvements to Bass Lake Road, as necessary to complete the project.
