DISCUSSION / BACKGROUND

In order to be successful in accomplishing the County's Strategic Plan goal relative to Economic Development, El Dorado County must be seen as a partner in regional economic development activities. To accomplish this, El Dorado County has partnered with the Greater Sacramento Economic Council (GSEC) which consists of five other counties in our region and emphasizes a 'shared economy', the primary message of the Tahoe Economic Summit. By agreeing to sponsor the Tahoe Economic Summit, it will further demonstrate El Dorado County's partnership in these efforts, promote El Dorado County as a preferred location for business attraction, growth and retention, as well as provide an educational opportunity for staff to learn about regional and national economic issues that impact the local economy.
