Original Ag Commission Date 11/14/2018

Z18-0009/P18-0011 is based on the following project description: Zone Change and Tentative Parcel Map for a 81.81± acre parcel, APN 087-010-35. The zone change request would change the parcel's zoning designation from Rural Lands 40-Acres (RL-40) to Rural Lands 20-Acres (RL-20). The tentative parcel map proposes that the property be split into three parcels of 26.70 acres, 28.90 acres, and 33.13 acres. The project site is located on the north side of South Shingle Road west of the intersection with Latrobe Road in the Latrobe Area. The property is adjacent to Millers Hill School.
