DISCUSSION / BACKGROUND

Siemens Industry Inc. and the Sheriff's Office are entering into a five year agreement which requires Board approval. The Sheriff's Office is recommending that a five-year contract be signed to secure pricing with Siemens. This agreement will hold pricing for maintenance, testing, and repair services on an as needed basis on the Fire Alarm Systems at the Placerville Jail for a five-year term. Siemens has provided adequate service over the term of previous contracts and offer a competitive price compared to other market competitors.
