DISCUSSION / BACKGROUND:

In 2004, California voters passed Proposition 63, the Mental Health Services Act (MHSA), which designates funds to provide a broad continuum of services, including community services and supports, prevention and early intervention services, capital facilities and technology, innovation projects, and workforce training. MHSA requires county mental health programs to develop Program and Expenditure Plans every three fiscal years. On June 20, 2017, the Board adopted El Dorado County's MHSA Three-Year Program and Expenditure Plan covering fiscal years 2017-18 through 2019-20 (File ID: 17-0551, Agenda Item No. 33).

Community Services and Supports (CSS) is one of the several components of the County's MHSA Three-Year Plan that addresses the community's mental health needs. Adult Full Service Partnership (FSP) is a project of CSS, and to implement the project, the County contracts with Summitview Child and Family Services, Inc. (SVCFS) in Agreement 862 (File ID: 14-0446, Agenda Item No. 31) for the provision of residential treatment services provided at a licensed Residential Adult Facility.

This Agreement with SVCFS is due to expire on June 30, 2019; however, the Adult FSP project is being continued through the final fiscal year of the County's MHSA Three-Year Plan, ending June 30, 2020. Therefore, Amendment 1 increases the maximum obligation, and extends the term through June 30, 2020 to align with the end date of the current MHSA Three-Year Plan.

In accordance with Board of Supervisors Procurement Policy C-17, Section 7.11, the contractor selection process for service contracts in excess of \$100,000 must include a review of the scope of services and contractor's professional qualifications by a group of individuals (including at least one representative from outside the department requesting the services) qualified to judge the contractor's ability to perform the services. HSA has documentation on file that such a review was performed for Agreement 862 with SVCFS.

ALTERNATIVES:

Should the Board decline to approve this recommendation, HSA would continue to provide the services through existing out-of-county contracts. However, locating available beds and moving clients out-of-county would take time, disrupting the continuity of services received by SVCFS clients.

PRIOR BOARD ACTION:

- 1) 05/13/14, 14-0446, HSA Summitview Child and Family Services 456-S1411
- 2) 06/20/17, 17-0551, HSA MHSA Plan

OTHER DEPARTMENT / AGENCY INVOLVEMENT:

Approved by County Counsel, Human Resources, Risk Management, and Procurement and Contracts.

CAO RECOMMENDATION:

It is recommended that the Board approve this item.

FINANCIAL IMPACT:

This Amendment will extend the existing Agreement, which continues to be funded with MHSA funding. There is no net County cost associated with this Amendment, and appropriate funds have been included in the budget for fiscal year 2018-19 and will continue to be budgeted for the remainder of the Agreement.
