DISCUSSION / BACKGROUND

In order to receive federal transportation funds, the County must follow California Department of Transportation's (Caltrans) Disadvantaged Business Enterprise (DBE) Program for implementation into projects funded with United States Department of Transportation (USDOT) funds. The DBE Program does not apply to projects without USDOT funding. The Federal Highway Administration (FHWA) is the Operating Administrator for USDOT funding of transportation projects.

On March 5, 2009, Caltrans notified the County that it had just received conditional approval from FHWA to immediately implement the Caltrans Federal Fiscal Year (FFY) 2009-2010 DBE goal and methodology. That approval required the immediate implementation of a new DBE Program, which included a Race Conscious component.

On May 5, 2009, Legistar 09-0344, Item 27, the Board adopted Resolution 088-2009 approving the new Caltrans DBE Program and authorized the Board Chair to sign the Caltrans DBE Program Implementation Agreement for Local Agencies 09-52635 (DBE Implementation Agreement) (Attachment D). On behalf of the FHWA, Caltrans provided its approval on May 8, 2009. In accordance with 49 Code of Federal Regulations Part 26.21, this approval of the Program counts for all of the County's USDOT-assisted programs.

The DBE Implementation Agreement requires that local agencies provide to the Caltrans District Local Assistance Engineer a completed Local Agency DBE Annual Submittal Form (Exhibit 9B) (Attachment C) for each FFY, which includes the name, phone number, and electronic mailing address of the designated DBE Liaison Officer; the Race Neutral Measures that the local agency intends to implement for that year; and, the Prompt Payment Provision choice for that year.

This year's Local Agency DBE Annual Submittal Form (Exhibit 9B) is for FFY 2019-2020 and includes the following two attachments:

- 1) Attachment A - lists the Race Neutral Measures that Transportation believes it can reasonably implement in FFY 2019-2020.
- 2) Attachment B - indicates that, in accordance with Section 9203 of the Public Contract Code, Transportation elects to retain funds from the prime contractor. The selected method describes the conditions for release of retained funds and the requirements and timelines prime contractors must abide by for the release of retention withheld from their subcontractors.

ALTERNATIVES

If the Board does not adopt Resolution and authorize submittal of the DBE Annual Submittal Form, Transportation will not be able to request federal funding for County projects for FFY 2019-2020.
