|------------------------------|----------|
| Total estimated expenditures | \$43,130 |
| Additional revenues | \$43,130 |
| Change to NCC | \$0 |

Fiscal Impact/Change to Net County Cost:

No change to Net County Cost. Anticipated revenue collections offset additional appropriations.

Reason for Recommendation:

The Revenue Recovery Division is responsible for enforcement and collection of debts owed to many County Departments. Many improvements have been implemented since the Department assumed responsibility for the Revenue Recovery Division that have resulted in improved efficiency and increased collections.

The FY 2008-09 adopted budget anticipated that the Division would have a net County Cost of \$57,600. The current adjusted FY 2008-09 budget includes revenues of \$374,370 and appropriations of \$355,563 with a net County cost of -\$18,807 (a return to the General Fund). The recommended budget transfer would increase revenues and appropriations by \$43,130 to reflect the projected actuals at fiscal year end with no change to Net County Cost for the Division.
