### DISCUSSION / BACKGROUND

On December 19, 2017 the Board adopted Resolution 199-2017 authorizing the Treasurer-Tax Collector to collect the four dollar (\$4) business license fee established by State Assembly Bill 1379 and directed the Auditor-Controller to establish an interest bearing special revenue fund to be known as the CASp Certification and Training Fund, and assign responsibility for the fund to the Chief Administrative Office for budgetary purposes.

The fund was established in FY 2018-19, but did not include any budget appropriations. The County is required to remit ten percent (10%) of the fees collected to the Division of the State Architect. A budget transfer is required in order to remit the FY 2018-19 fees owed to the State. In addition, the Treasurer-Tax Collector receives 5% of the fees for administrative costs related to collecting the

funds and reporting and remitting to the Division of the State Architect. The remaining funds are available for the Building and Planning Department.

Initially it was thought that the Chief Administrative Office should be assigned responsibility of the fund for budgeting purposes. However, upon further analysis and due to the collection and reporting requirements that reside with the Treasurer-Tax Collector's office, the Chief Administrative Office is recommending that a new non-interest bearing fund be established in the Treasurer-Tax Collector's office to allow for efficient collection and reporting of the fees. The Chief Administrative Office is also recommending that a second special revenue fund be established within the Planning and Building Department for the remaining funds that are to be utilized by Planning and Building for increased certified access specialist (CAsp) training and certification. This training and certification is required to facilitate compliance with construction related accessibility requirements. The Director of Planning and Building will be responsible for annual budgeting and use of these funds as well as annual reporting requirements to the Division of the State Architect. The Treasurer-Tax Collector's office will remit the 10% required to the State quarterly and retain the 5% administrative fee and move all remaining fees collected quarterly into the CAsp Certification and Training fund established in the Planning and Building Department.

### **ALTERNATIVES**

If the budget transfer is not approved, staff will not be able to remit the fees to the State and will be out of compliance with government code 4467.

If the Board chooses not to direct the Auditor-Controller to establish two new non-interest bearing special revenue funds to replace the existing special revenue fund, the process of distributing these funds and reporting on the funds will continue to be difficult and inefficient.

### **PRIOR BOARD ACTION**

12/19/2019 Legistar Item 17-1329 - Resolution 199-2017 authorizing collection of \$4 fee

### **OTHER DEPARTMENT / AGENCY INVOLVEMENT**

Planning and Building

### **CAO RECOMMENDATION / COMMENTS**

It is recommended that the Board approve this item.

### **FINANCIAL IMPACT**

The attached budget transfer will increase revenue and appropriations by \$50,700 in the CAsp Certification and Training fund to account for FY 2018-19 revenue and expenses and increase revenue and expenses by \$2,000 in the Treasurer-Tax Collectors budget to allow for the receipt of the 5% administrative fee for FY 2018-19.
