### DISCUSSION / BACKGROUND

#### Supplemental Local Law Enforcement Funds (SLESF)

The District Attorney has a need to update existing end-of-life equipment and gear/uniforms for the

Investigations staff and is requesting to use Supplemental Local Law Enforcement Funds (SLESF) to purchase the following:

\$7,196 for new uniform and weather gear - Staff is requiring (24) new uniform, weather based ID jackets, shirts, caps, and (100) Velcro ID patches. Uniform gear will require a silk screen set up fee.

\$12,567 for Point Blank Armor Carrier vests and fire arms safety loading chamber - Existing vests provided to staff are reaching the manufacturer's expiration date. For the safety of staff, replacement vests are needed. The District Attorney is requesting to purchase 24 units at an estimated cost of \$460 a unit plus tax. A new fire arms safety loading chamber is also needed, at an estimated cost of \$571 plus tax.

Per Government Code 30061-30063, moneys allocated from a Law Enforcement Services Account (SLESA) to a recipient entity shall be expended exclusively to provide front line law enforcement services.

#### Asset Forfeiture Funds/ Equitable Sharing (EQSHR)

The District Attorney, through an agreement with the Federal Department of Justice (DOJ), receives monies for assets seized by partner agencies. The funds are deposited into a trust fund in the County Treasury until such time the District Attorney requests use of the funds per the guidelines established in Equitable Sharing agreement with the DOJ. The District Attorney has several costs that can be covered with Equitable Sharing funds (EQSHR) and is requesting to use the funds for the following expenses:

\$31,860 rental costs for DA building lease located at 772 Pacific St. - As requested during prior fiscal year 18/19, the District Attorney is requesting EQSHR use for the 19/20 building lease cost during the period of July 2019-June 2020. According to lease contract with Fausel Professional Center LLC, the first 6 months will be billed at \$2625/month and the remaining 6 months will be billed at \$2685/month, for a total cost of \$31,860.

\$5,000 CDAA Diversity 2018 initiative - The California District Attorneys Association has recently launched a statewide campaign that focuses on bringing diversity to prosecutors' offices. The agency has provided new resources for its members of which the District Attorney's office will be utilizing.

\$27,000 DA facility sound masking project - Due to the design of the District Attorney's facility, there is an excessive amount of traveling sound throughout the building. To correct this, installation of white noise and sound masking mechanisms are required.

\$11,106 office equipment and supplies - The District Attorney is in need of (12) Chairs, (12) tables, (4) 50" LED televisions, with proper mounting equipment. The staff also needs an ID card printer with ink in order to print identification card in house.

\$9,495 computer equipment - The District Attorney is purchasing (7) new laptops for staff, each with required software, and (4) desktop computers.
