Title: HEARING - Planning and Building Department, Planning Division, forwarding a request from Winn Communities for an Initiation Hearing (Conceptual Review) of a proposed new Specific Plan that would require amending the General Plan land use designation of a de-annexed portion of the El Dorado Hills Business Park from the current Research and Development to residential land uses to allow medium- and low-density single family residential development with an expected range of 700 to 900 dwelling units. The property, identified by Assessor's Parcel Number 117-010-012, consisting of 208 acres, is located within the El Dorado Hills Business Park, in the El Dorado Hills area. Staff recommends the Board take the following actions:
1) Find that the proposed Pre-Application PA19-0001 complies with the criteria for initiation of General Plan Amendments as required by Board of Supervisors Policy J-6; and
2) Provide the Applicant with initial feedback on the proposed project. (Supervisory District 2) (Est. Time 1 Hr.)
